

Penang

Penang, Pearl of the Orient; has long been known as one of Southeast Asia's finest destinations. Penang's outstanding beaches and exotic sights have made it one of the most popular destinations in the region.

As fabulous as its beaches are, some of Penang's deeper mysteries should also be experienced. The Kek Lok Si Temple, at Air Itam, with its seven-story pagoda over 90- feet high, is reputed to be the most beautiful and largest temple complex in Southeast Asia. It is a harmonious blend of Chinese, Thai, and Burmese architecture and craftsmanship. Other worthwhile stops are the delightful Penang Night Market, the romantic peak of Penang Hill, Fort Cornwallis, the Botanical Garden, the site of Light's first landing, the Butterfly Farm and the Pantai Aceh Forest Reserve.

Georgetown comes to life in a blaze of light at night. You will experience it all - savor the famous Penang local dishes at one of many open-air food stalls and enjoy a drink at the only revolving restaurant that offers a panoramic night view of Georgetown
